“ HOW TO FIND US “

From the North -- After coming down the hill into Quesnel, the road takes a gentle right (The large Gold Pan and A. & W. Will be on your left) a traffic light will appear. Stay in the right lane, we are just a few seconds past the light on your right.

From the South - Traveling north through Quesnel, past the hospital, you'll go up a rise onto the Two Mile Flat industrial area. A couple of minutes later you'll see Fountain Tire on your left and will go up a 2nd rise. (Be sure to be in the left lane) We are at the top of this rise on your left just before the Quesnel Hixon Road.
